ABOUT CARLY

Carly is an Occupational Therapist and Case Manager working in the North East of England.

Carly qualified as an Occupational Therapist in 2008 and has worked in a variety of clinical settings. Carly has extensive experience of working with people with long term conditions and neurological conditions. This includes Neurology HDU, Acute Neurology inpatient ward, inpatient rehabilitation in both Level 1/2a and 2b facilities and Community rehabilitation for acquired brain injuries.

ABOUT CARLY (CONTINUED)

In addition to the neurological experience Carly has clinical experience working in social services, housing and adaptations, elderly care, trauma and orthopaedics, rheumatology, and stroke. Whilst living in New Zealand Carly worked as an Intensive Service Worker within residential forensic learning disabilities and mental health.

From 2015 Carly specialised in working in community settings with people who have acquired brain injuries. Carly has developed specialist skills in cognitive rehabilitation, vocational rehabilitation, fatigue management and vestibular rehabilitation. Working alongside multi-disciplinary and multi-agency teams, Carly has gained an extensive understanding of the roles and responsibilities of the clinical team.

Carly continues her role as an occupational therapist in the private sector, providing neurological rehabilitation in litigated and post settlement cases. Carly has extensive experience of working with highly complex situations, she is able to demonstrate effective problem solving, analytical and reflective skills in order to adapt therapy interventions to suit the complex needs of clients. In addition to using her clinical reasoning skills and evidence-based practice to support all clinical decisions.

Carly is committed to maintaining and developing her clinical skills and competencies in her specialist area and regularly undertakes training in order to achieve this.

Carly has an approachable manner is able to effectively communicate with clients and their family/carers building positive and collaborative relationships. Carly is dedicated and passionate about advocating for and achieving the best outcome for her clients and their families.
